MOSQUITO[®]

AUTHORITY

DRAIN

Remove Standing water from around your home. It only takes a bottle cap's worth of standing water to cause a mosquito problem

Common Culprits that should be monitored regularly for standing water include

- clogged rain gutters
- corrugated drain pipes
- bird baths
- pet bowls
- trash & recycling bins
- plant pots
- children's toys

DRESS

When practical, wear long pants and long sleeves. Loose-fitting, light-colored clothing is best

Studies have shown that some mosquitos are more attracted to dark clothing and can most readily bite through tight-fitting, loose-weave clothing.

DEFEND

Use repellent! The EPA has registered repellents that have been reviewed and approved to pose minimal risk when used properly:

- DEET (N, N-diethyl-m-toluadimide)
- Picaridin (KBR 3023)
- Oil of lemon eucalyptus (p-methan 3.8-diol, or PMD)

BugsBite.com

When performed properly by trained professionals, back yard mosquito treatments can help to reduce the danger and risk posed by disease-carrying mosquitos

Mosquito Authority's REPEL+PLUS Mosquito Treatment will break the mosquito lifecycle and all but eliminate mosquitos from your yard and your life - all summer long

Jerry Kerner for Congress June 7th
2nd Congressional District
VOTE the Democrat Primary Ballot

THE PRINCIPLE:

Mississippi needs and deserves people in Congress who will work to keep our Country governed by the Constitution and work to prevent the un-American attacks on our Freedoms and Liberty by the wannabe tyrants who mistakenly think they are in charge. We are The People who will not re-elect any Incumbent member of Congress who cowardly supports attempts to pass un-Constitutional Laws and who lacks the Courage to actively oppose this Legislation which in itself is a blatant and deliberate act of Betrayal of all Loyal Americans.

THE PROBLEM:

The vast majority of People who describe themselves as Democrats are good, honest people and loyal Americans. The division in our Country is not between The People who are sincere Democrats or Republicans or Independents, but rather is only the division between Loyal Americans of all Parties and the relatively few childish and un-American Incumbents who dishonestly call themselves Democrats while betraying us all.

HOWEVER:

Mississippi Democrats, Republicans and Independents have a clear choice this year to elect a Loyal American who will Follow the Constitution and actually represent the People of Mississippi's 2nd Congressional District. **Since Mississippi is an Open Primary state every registered Republican, Independent and Democrat voter can choose to Vote in the June 7th Primary on the Democrat ballot,** and by doing so we will remind our dishonest Incumbents in Washington DC that there still is a US Constitution and that they work for We The People.

THEREFORE:

Mississippi's 2nd District is being mis-Represented in Congress by a gullible follower of the anti-American House leadership who supports the un-Constitutional Legislation being peddled in the US House of Representatives. The Democrat Primary on June 7th is our opportunity to correct this injustice by refusing to vote for the Incumbent. We are The People who will send to Congress Jerry Kerner, a person who is a Democrat, but more importantly is an adult who appreciates and embraces the Values and Principles of this Great State, and who has the Integrity and Courage to sincerely Preserve, Protect and Defend the Constitution of the United States.
